

## Fabulous Fall Flowers

“Oh, fall smells so good,” smiled Happy Honeybee as he buzzed nearby.  
“I thought you would like spring or summer better,” said Dottie Doodlebug.  
“I like those seasons, too,” agreed Happy.  
“Those seasons have such sweet flowers,” said Dottie.  
“Yes, they do. God created fall flowers too,” said Happy. “God created fabulous fall flowers.”  
“Every flower is special in its own way,” smiled Dottie.  
“That’s true,” said Happy. “God created each flower to be special.”

**Stand-Up Garden:** Before the meeting, cut along the heavy lines. Pre-fold the plants along the broken lines so they stand up; then unfold. Place glue on the flowers, trees, and bushes. Let the children cover them with tissue paper and fold them forward again to make a stand-up garden.
