Coloring Pages

Welcome to Bible coloring pages online and on CD-ROM. The coloring pages are organized into three sections: Old Testament Bible Stories, New Testament Bible Stories, and Christian Living Coloring Pages. For the most part, the stories are listed in Scripture order. So coloring pages from Genesis are in the first half of the book, and those from Matthew are in the second half of the book. The memory verses on these pages are given in both King James Version (KJV) and New International Version (NIV). The KJV page comes first, followed by the NIV page. A Memory Verse Index begins on page 200.

Feel free to copy or print out as many pages as you need for your children. You may want to read the memory verse aloud from your Bible or have an older child read it. Then have the children say the verse together as they look at the words on the coloring page. Feel free to shorten longer verses if you have younger children in your class. Tape over the end of the verse before making your copies. Or just have the children memorize a portion of the verse aloud, leaving the complete verse on the page so the parents can see it in its entirety.

Some coloring pages are crafts or puzzles. Be sure to read the instructions beforehand in case you need to provide scissors or glue in addition to crayons. If you do the crafts with younger children, you may need to have extra helpers on hand. Since the instructions are on the page, you may choose to have the children do just the coloring in class and complete the craft at home if they wish.

Younger children may still be in a scribble-coloring stage. Remember that the process is more important than the final product. (You can help parents realize that staying within the lines is not a priority.) The children can begin to learn about God's Word while having a fun time coloring pictures and making crafts from Bible stories and concepts. Encourage each child's creativity by providing comments such as, "[David], you are using such bright colors" or "[Jessica], I like the way you are filling your paper with color." As you work with the children and praise them for a job well done, they will begin to learn that God loves them just as you do!

Unless otherwise noted, Scripture is from the KING JAMES VERSION of the Bible. Scripture marked (NIV) is taken from the HOLY BIBLE, NEW INTERNATIONAL VERSION. Copyright © 1973, 1978, 1984 International Bible Society. Used by permission of Zondervan Bible Publishers.
